for RH assistance from FmHA by State Director

JAN 20 1993

APPROVED-
for RH assistance from FmHA by State Director

Eligibility perimeter lines for Rural Housing ONLY, not applicable to other FmHA programs.

The map displays the general highway network of Walker County, Texas. Major highways are shown as thick black lines, while other roads are thinner. County boundaries are indicated by dashed lines. A yellow-shaded rectangular area is drawn around the city of Huntsville, Texas, indicating the eligibility perimeter for Rural Housing assistance. The map also shows the locations of the State Department of Corrections, Huntsville State University, and the Sam Houston National Forest. The map is dated January 20, 1993, and is approved for Rural Housing assistance by the State Director.
